## Our Principles:

At Castle Cartons Ltd we are committed to ethical and sustainable business practices and operations. These values must meet the expectations of any one who interacts with the business, whether customers, suppliers, employees or the wider community and environment.

We will:

- Recognise that our social, economic, and environmental responsibilities are integral to our business.
- Aim to demonstrate our commitment to our responsibilities through our actions, and within our corporate policies.
- Take seriously all feedback that we receive, and where possible, maintain open dialogue to ensure that we fulfil the requirements of this policy.

The Proprietor is responsible for the implementation of this policy and will make the necessary resources available to realise our corporate responsibilities. However, all employees of Castle Cartons Ltd are responsible for our successful performance of this policy.

If you require any further information, please do not hesitate to contact us.

Yours sincerely
