It is the policy, and overall business objective of Castle Cartons Limited to provide bespoke corrugated packaging solutions of the highest quality. This is done in compliance with our customers specified requirements, regulatory requirements of our industry and the high standards Castle Cartons Limited sets it's self as a business.

It is the wider objective of Castle Cartons Limited to enhance its reputation as a bespoke designer and manufacturer of corrugated packaging. While increasing the businesses capabilities to gain wider recognition in its field of expertise.

Castle Cartons Limited recognizes that a genuine commitment to understanding the present, and future needs of its clients, along with the environmental concerns surrounding the packaging industry. This commitment is essential to enable the business to achieve its objectives. Castle Cartons Limited continually strives to ensure that the needs and reasonable expectations of the clients are realized in the quality of the corrugated packaging it provides.

Castle Cartons Limited's Quality Management System is detailed in the companies Procedures Manual. To ensure the quality aims of Castle Cartons Limited are communicated throughout the business we have ensured that all employees understand and adhere to the requirements of this policy and the relevant contents of the Management System.

The Castle Cartons Limited Procedures Manual is published as a direct response to the requirements defined by the ISO 9001: 2015 system.

Castle Cartons Limited will constantly monitor its quality performance and will implement improvements where appropriate, as part of its ongoing objective to provide the best quality corrugated packaging to our customers.

James Green  
Managing Director
